# Market Scope® 2017 Ophthalmic Deals Book:

**Author: David Harmon**  
**Released: February 2017**

**NEW REPORT:** This report is designed for entrepreneurs, investors, venture capitalists, and companies looking to invest in the ophthalmic market. The information covers investments in ophthalmic ventures during 2016, including venture capital, public offerings, licensing, milestone payments, sales of products and companies, and major borrowings.

We identified 53 transactions for 46 companies in 2016 that included investments to fund development of new ophthalmic products and technologies, commercialization of new products, or outright purchases of products or technologies. These transactions ranged from \$1 million to \$4.3 billion.

Our report is the leading industry source for accurate and relevant information on all aspects of the mergers, acquisitions, and financing that occurred in 2016. It includes a comprehensive overview of the ophthalmic deals by sector and company. We cover venture funding, public offerings, and strategic purchases made during 2015 and 2016 and provide an outlook for 2017. The report also includes a comprehensive overview of the development pathway and market opportunity for each company.

Market Scope's **2017 Ophthalmic Deals Book** provides in-depth coverage on ophthalmic investments.

## **Our Report is Organized into Key Areas and Includes:**

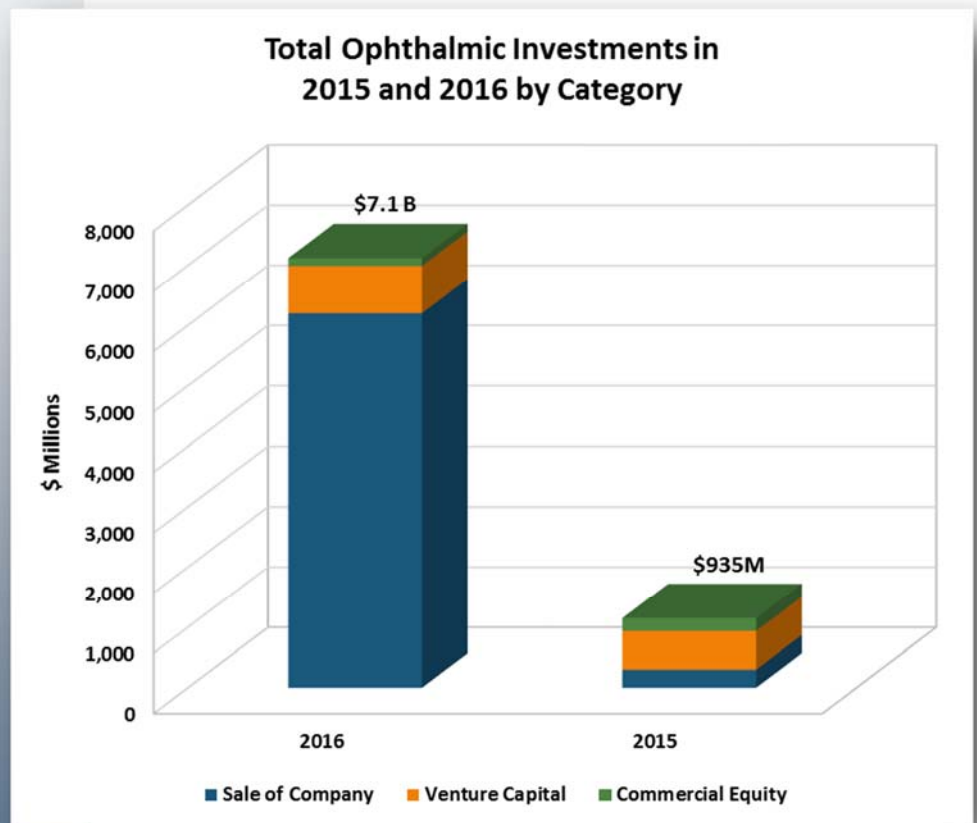

### **Companies Raising Funds**

### About Market Scope

Market Scope is recognized as the leading source for accurate and timely industry information in ophthalmology. We have been conducting primary research and producing comprehensive reports on ophthalmic markets since 1996. Our data, analysis, and forecasts serve as starting points for many annual planning cycles, strategic plans, acquisition analyses, and return-on-investment decisions in the industry. In addition, our information is routinely included in annual reports, SEC filings, and investor presentations by leading ophthalmic companies.
